

Joining Wiltshire Neighbourhood Watch

New member – not Community Messenger member

1. Go to website wiltshireNHW.org
2. Click Join
3. Complete form
4. Read & agree terms & conditions
5. Go to your email and enter the code inside the email. Please check your inbox (or spam) and enter the code in the box and click next
6. It will ask you to complete your registration
7. Complete the form, firstly your address, then it will ask you to fill in a mobile no and/or home number and date of birth if you wish to do so
8. It will then ask you to click on the organisations that can see your information
9. Click on "Complete registration to complete the registration" process
10. You will now be asked to join a scheme near you. Click "Join" to join the scheme chosen
11. If it does not show a scheme then you can choose to set up a scheme
12. Click on the button "APPLY TO CREATE A NEW SCHEME"

GO BELOW TO SET UP A SCHEME

Creating a scheme

1. This will take you to "Create a new Scheme"
2. It will ask you to agree to the code of ethics etc.
3. Click "I agree"
4. Then click on "APPLY TO CREATE A SCHEME"
5. This will take you to setting up a scheme

You will need to give the scheme a name. Leave scheme number blank as it is filled in when you start the scheme.

You can add to the writing that is already on the scheme or you can put your own

Enter start date

Enter a rough estimate of members

Enter number of households

You can put your picture if you want and a bio of yourself

Then make a box of your area on the map that you want as your scheme

After you have completed that click on "Save Data" and your scheme is set up.

Someone will be in contact with you to discuss why you wanted to set up a scheme and are there any reasons e.g. ASB, Car scratching etc. They are called MEMBERSHIP SUPPORT ADMINISTRATORS
