## Welcome and Introduction

Wiltshire Neighbourhood Watch is a volunteer organisation which aims to **bring neighbours together to create strong, friendly, active communities**, in which trust and respect reduce the extent to which people, young and old, feel afraid, vulnerable or isolated in the place where they live.

Our **Partnership Agreement** with Wiltshire Police and the Police and Crime Commissioner reflects the desire of each partner to collaborate in supporting safer communities to reduce crime and anti-social behaviour.

As a proactive partner, Wiltshire Neighbourhood Watch will provide leadership, strategic direction, advice and guidance to Neighbourhood Watch schemes across Wiltshire. It will also strenuously support the principle of **neighbourhood policing** and, as far as possible, ensure it is built on effective engagement and consultation with communities.

Our Neighbourhood Watch links extend to Community Safety Partnerships, Town and Parish Councils, as well as Wiltshire Police Community Policing Teams who, together with thousands of NHW scheme members, want to make their communities safer places to live.

## Membership Benefits of NHW

Why not become one of 2.3 million member households in the UK?

At the heart of Neighbourhood Watch are 3 key principles:

**Know Your Neighbours**

**Be Neighbourly**

**Get Involved in Your Community**

Neighbourhood Watch membership also allows you to receive messages from Wiltshire Police, Neighbourhood Watch and other partner agencies which you can select through a free, data secure system called **Community Messaging**. These messages are called 'Alerts'

**Neighbourhood Watch Network (NWN)**, the national umbrella organisation for Neighbourhood Watch, to which Wiltshire NHW is affiliated, was re-launched in 2017.

NWN provides a wealth of information to support the affiliated organisations such as Wiltshire NHW, and their scheme members.

These resources, as they are known, cover topics to support scheme members and scheme coordinators in their roles: Building a community, developing your scheme, involving young people, ...

It also gives information on different crimes, how to recognise them, and how to avoid them: Scams, social media, loneliness and vulnerability...

If you are interested in reading such information, visit [www.wiltshireNHW.org](http://www.wiltshireNHW.org) and follow the links on the home page.
